

## A SURVIVOR'S STORY

In this intimate account of her life, Olga shares the terror of witnessing her father's brutal attacks on her mother and reveals the horrific physical, emotional and sexual abuse she herself endured. With clarity as unique as it is insightful, she unravels the connections between her childhood abuse and the rapes she suffered as a teenager and young woman. Her inspirational story sheds light on the complexities of coping with trauma, the struggle towards healing and what it means to truly survive.

The National Coalition Against Domestic Violence, Grassroots Connection proclaimed that **"an opportunity to show and discuss 'A Survivor's Story' with a captive audience should not be missed. The video comes with some suggested discussion questions to help shape meaningful conversations."** NCADV added, **"everyone who hears her pain will learn from her journey and pass along compassion to all survivors."**

According to the Sexual Assault Report, **"it is the best depiction that I have ever seen of the overlap between domestic violence (DV) and sexual assault (SA), and, as such, is an excellent training material[.]"**

**"SAR heartily recommends the tool for us in training staff of DV, SA and child protection professionals, schools, child advocacy programs, as well as law enforcement, judges, prosecutors, clergy, therapists, custody evaluators, nurses, and students in any of the above fields."**

A Survivor's Story is a 45-minute video presented in four 10-minute segments ideal for training and education.
